National Symposium (West Zone) **on**

Integrating Crop Care for Sustainable Plant Health under Changing Climatic Scenario

December 16th-17th, 2025

Jointly Organized by

Vasantrao Naik Marathwada Krishi Vidyapeeth, Parbhani (MS)

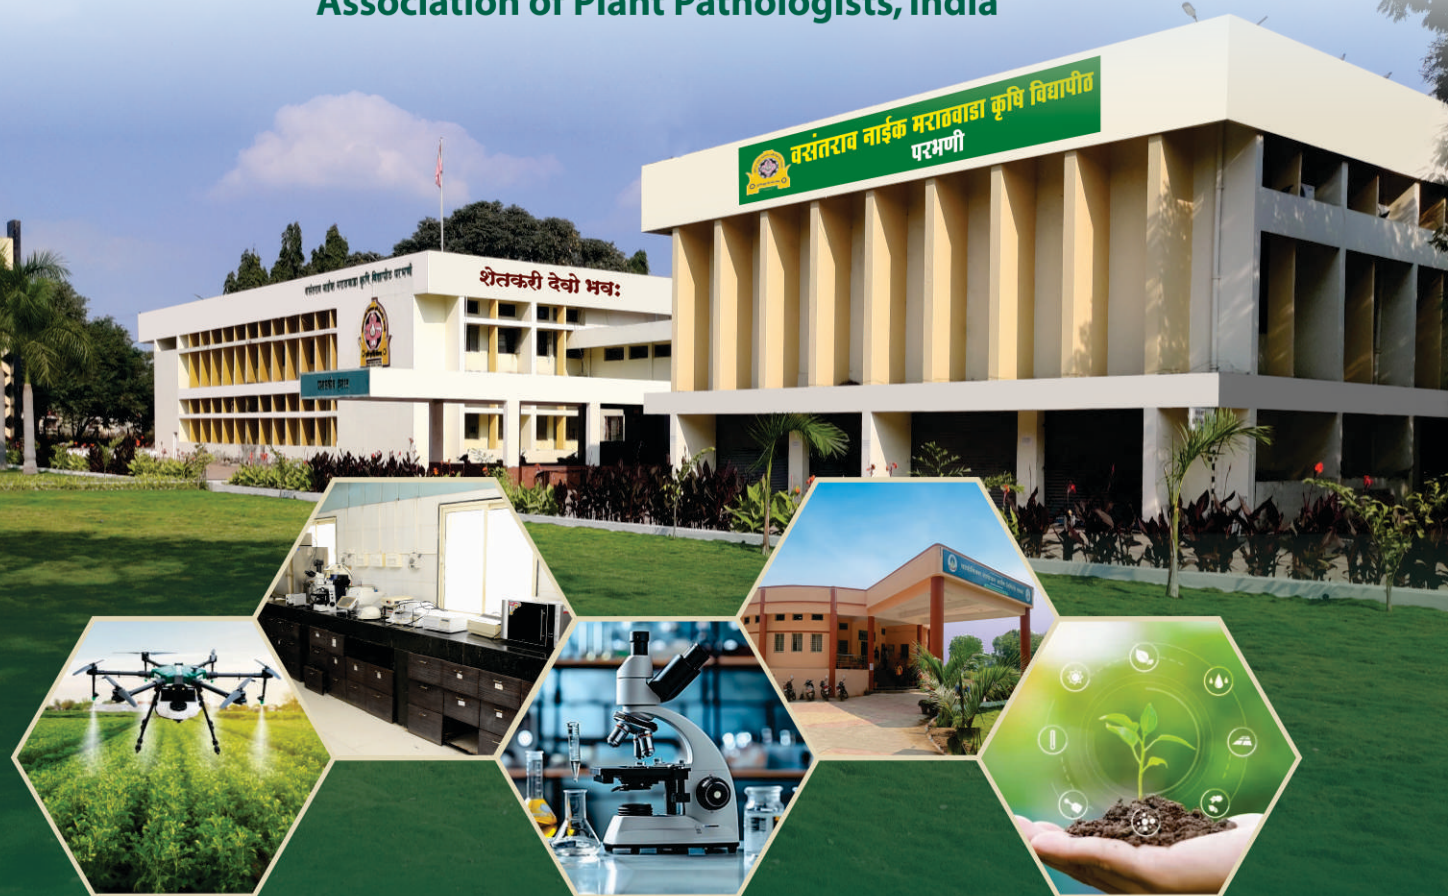

Department of Plant Pathology

College of Agriculture

Indian Phytopathological Society, New Delhi

and

Association of Plant Pathologists, India

Venue

Auditorium College of Agriculture

Vasantrao Naik Marathwada Krishi Vidyapeeth, Parbhani - 431402 (Maharashtra) India

Invitation

We are delighted to invite you to the **National Symposium on “Integrating Crop Care for Sustainable Plant Health under Changing Climatic Scenario”**, scheduled on **16th - 17th December, 2025**, jointly organized by **Vasant Rao Naik Marathwada Krishi Vidyapeeth Parbhani (Maharashtra)**, **Department of Plant Pathology, College of Agriculture**, the **Indian Phytopathological Society, New Delhi** and the **Association of Plant Pathologists, PDKV, Akola (Maharashtra)**. This symposium will bring together scientists, academicians, researchers, policymakers, and industry professionals to exchange knowledge and explore innovative strategies for sustainable plant health management in the face of changing climatic challenges.

Vasant Rao Naik Marathwada Krishi Vidyapeeth, Parbhani (VNMKV)

Vasant Rao Naik Marathwada Krishi Vidyapeeth was established on 18th May 1972 by the State of Maharashtra. VNMKV Parbhani has a glorious legacy of agricultural research of more than 105 years as the Cotton Research Centre, Mahboob Bag, Parbhani was established in 1918. The mandate of the University is to impart education in agriculture and technology; conduct research and innovations as per the regional needs and transfer of technology to the farmers, industries and other end users. The University is also mandated with development of appropriate technologies for conservation of natural resources for sustainable use under the climate change situation. Since inception, the University released 156 varieties of food and horticultural crops, 56 implements and 1089 production technologies to cater to the needs of farmers leading to comprehensive agricultural development in Marathwada region.

The degree programs of UG, PG and Ph.D. in various agriculture and allied faculties of VNMKV are accredited by Peer Review Team of ICAR, New Delhi. The VNMKV imparts degrees under the faculties of Agriculture, Agricultural Engineering, Food Technology, Community Science, Agricultural Business Management, Horticulture and Agricultural Bio-Technology. The University has initiated steps towards the implementation of the National Education Policy (NEP) 2020. More than 55 % of students got placement during 2023 in various organizations and industries through Student Placement Cell whereas other students joined higher education and entrepreneurship activities. The university has bagged the International Green University Award during 2023-24.

The Centre of Excellence for Digital Farming Solutions for Enhancing Productivity by Robots, Drones and AGV's under National Agricultural Higher Education Project (NAHEP) was established in VNMKV with World Bank funding under aegis of ICAR. The center has been focusing on Mechatronics, CAD/CAM/CAE, 3-D printing and instrumentation laboratories for Agri-bots, Agri-Drones and Agri-AGVs. The centre facilitated national and international training to students and faculties on advanced digital technologies. During 2023-24, 55 students and 25 faculty members completed their foreign training programme in leading International Universities.

Recently, the University acquired research funding worth of Rs. 65 crores from DST, NASF, RKVY, RGSTC, GIZ and Maharashtra Chief Minister's funds to conduct research on digital agriculture, sustainable agriculture, biotechnology, organic and natural farming, use of drones in agriculture, nano fertilizer and agri-photovoltaic. The University has also developed strong collaboration with industries and National & International research organizations. Under CSR funding, Maharashtra Mechanization Centre at Parbhani, Centre for skill development of the farmers and rural youth at KVKs, and Marathwada Farmers Training Centre at Ch. Sambhajinagar (Aurangabad) are being established. Recently, the Common Incubation Centre on Jaggery, spices and sugarcane juice processing under Pradhan Mantri Formalization of Micro food processing Enterprises (PMFME) scheme has started functioning in the University.

Department of Plant Pathology

The Department of Plant Pathology, CoA. VNMKV, Parbhani devoted to the Education, Research and Extension activities. The research trust areas are Mycology, Virology, Bacteriology, Seed Pathology, Biological Control, IDM etc. The discipline is bound to share substantial awareness and hands on training in the Plant Pathological domains to the stakeholders. This Department stands out in Maharashtra for its pioneering large-scale production of Biomix Consortium and biofertilizers, benefitting over 2 lakh farmers across the state and generating an impressive Rs 21.00 crores in revenue over the last six years.

Indian Phytopathological Society (IPS)

Founded on 28th February 1947, the Indian Phytopathological Society (IPS) is a leading scientific body promoting advancements in plant health management. The Indian Phytopathological Society (IPS) is a professional society for promoting the cause of the science of Phytopathology. The Society focuses on the field of Mycology, Plant Pathology, Bacteriology, Virology, Phytoplasmology, and Nematology. It provides a unique platform to the scientists working in the field of plant pathology-related research to share their research achievements. It also keeps members informed about the various activities related to the development of plant pathology and about the members of the society.

The Society was registered on 3-11-1949, under the Societies Registration Act XXI of 1860 with Registration No. S399 of 1949-50. A very significant step to make the Society stable was taken in the XI Annual General Meeting held in Delhi on 23rd January 1959 when it was resolved that the Division of Mycology and Plant Pathology, Indian Agricultural Research Institute, New Delhi would be the permanent Headquarters of the Society.

Objectives :

1. To advance the cause of Mycology and Plant Pathology in India.
2. To encourage and promote mycological and plant pathological studies and research in the country.
3. To disseminate the knowledge of mycology and plant pathology.
4. To facilitate closer association and relations among members and other scientific workers in India and abroad.

Association of Plant Pathologists, India

The Association of Plant Pathologists (APP) India is dedicated to promoting plant pathology through research, capacity building, and outreach. The association actively fosters eco-friendly, climate-resilient crop protection strategies benefiting farmers, researchers, and policymakers.

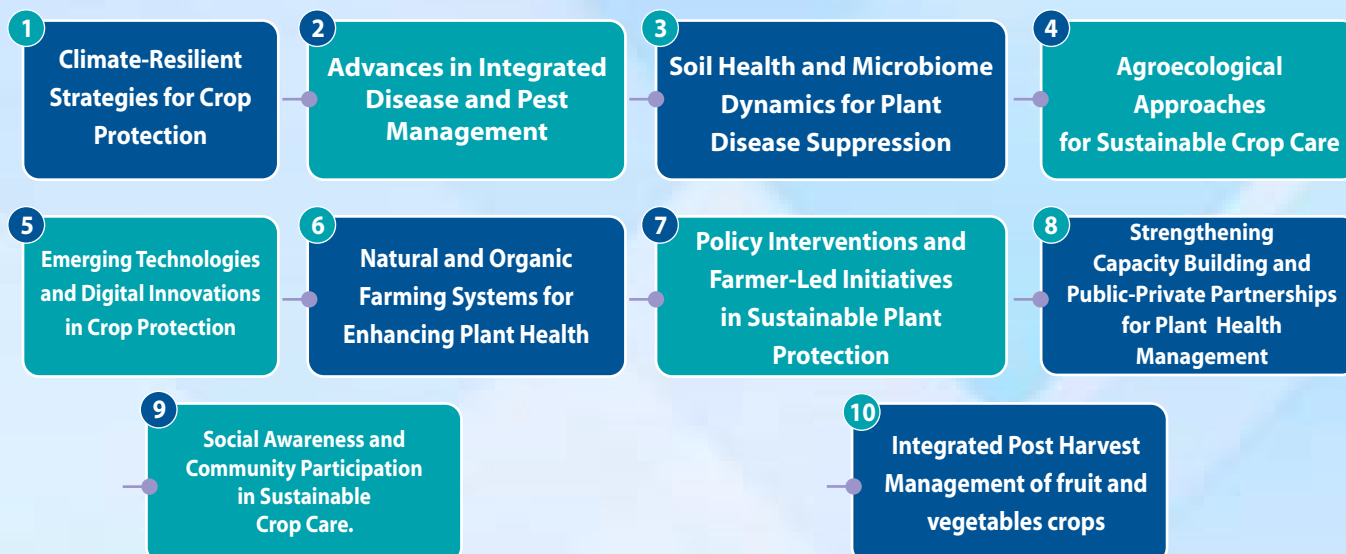

National Symposium (West Zone)

Global agriculture is increasingly challenged by climate variability, shifting pest and disease dynamics, and declining soil and ecosystem health. These factors threaten crop productivity, quality, and food security while demanding sustainable solutions that harmonize crop production with environmental conservation.

The **National Symposium on "Integrating Crop Care for Sustainable Plant Health under Changing Climatic Scenario"**, scheduled on 16th - 17th December, 2025 seeks to provide a dynamic platform for stakeholders to discuss and deliberate on holistic strategies for plant health management in the face of climatic uncertainties. The symposium aims to integrate cutting-edge technologies, agroecological approaches, and farmer-centric innovations to ensure climate-resilient agriculture. This event will bring together researchers, academicians, students, policymakers, extension professionals, and industry leaders to explore sustainable crop care practices, strengthen collaborative networks, and develop actionable strategies for achieving long-term agricultural sustainability.

Major Themes

Guidelines for Abstract Submission

This Symposium is open to all the Scientists, Faculties, Researchers, Academicians, Entrepreneurs etc. Abstract for oral or poster presentation shouldn't exceed 250-300 words, including the title, authors names, institute address and E-mail Id (presenting author). Abstracts should be prepared in MS- Word, Times New Roman, font size 12 and single spacing, leaving 1" margin on the left and right sides of the page. Serial number and title of the theme to which the abstract pertains must be clearly indicated at top left of the abstract page. The abstracts should be submitted on or before **30th November, 2025 exclusively by email to ipswz2025@gmail.com** The abstracts accepted will be included in this Symposium Souvenir (which will be published with ISBN number), only after receiving the registration fee. The acceptance will be communicated to the corresponding author by e-mail, within 2-3 days of online receipt of the abstract.

Guidelines for Oral / Poster presentation

The abstracts / papers selected for Oral presentation should be prepared as PPT presentation (Not exceeding 8-10 PPT) containing the title, authors, institute address, brief introduction and importance of the research, brief methodology, key findings / results, supported with photographs, graphs, data tables and finally conclusions.

The Posters should be brief, self-explanatory and informative. The size of the poster should be such that it can fit well in the poster panel of 90 cm x 120 cm (width x height). For ready reference the format of poster is provided.

Dates to Remember

Submission of Abstract	:	30 th November, 2025
Notification of Acceptance of Paper to Authors	:	05 th December, 2025
Registration (Last Date)	:	30 th November, 2025
Submission of Full-Length paper	:	10 th December, 2025

IPS Awards

APS Travel Sponsorship for PhD Students to USA

The American Phytopathological Society (APS), USA, in collaboration with the Indian Phytopathological Society, offers a prestigious Travel Sponsorship for Ph.D. students pursuing plant pathology in India. This award encourages IPS student members enrolled in doctoral programs to participate in the APS Annual Meeting or other APS-endorsed events, as approved by the IPS and the APS Foundation Board. The sponsorship, supported by Indian-origin Plant Pathologists, will be awarded to the top student presenter selected through zonal competitions across India.

The award includes reimbursement for international airfare, accommodation and incidentals, while the registration fee must be borne by the awardee.

Prof. M.J. Narasimhan Merit Academic Award

The Prof. M.J. Narasimhan Academic Merit Award is open to all IPS members below 35 years of age. Applicants must provide proof of age and a certificate from their guide or supervisor.

It is to be certified that the paper entitled presented for **Prof. M.J. Narasimhan Merit Academic Award**

contest for the year(.....)pertain to the major work done by the candidate..... It is further certified that the work has not been published and presented for any other award till date and contestant is below the age of 35 and member of the Indian Phytopathological Society.

Interested candidates should submit an abstract of their original research work (not exceeding 200 words) to the Organizing Secretary via email at ipszw2025@gmail.com, before the last date of submission.

Signature of Student

Signature of Guide

• **Best Oral Presentation Awards** : First, second, and third prizes will be presented during the Symposium in each thematic area.

• **Best Poster Presentation Awards** : First, second, and third prizes will be presented during the Symposium in each thematic area.

Association of Plant Pathologist awards

1. Dr. R.B. Somani Award Competition for Best Ph.D. Research Work:-

The Society will hold a competition for the Ph.D. Plant Pathology students on thesis paper presentation.

2. Dr. B.T. Raut Best Poster Presentation Award:-

This award will be presented to the Best Poster presentation during the symposium. The award will consist of memento and certificate. There will be three awards, first, runner and third.

- The full length research paper will be published in the NAAS rated JPDS Journal of Association of Plant Pathologist society in concession rates of Rs. 1200/-.

Pictorial Guidelines for Poster presentation

Session name and Abstract ID:-----

Title: Running text limited to 20 words (Font size 60 bold Arial)

Logo of the organisation
4 X6 cm

Name of the authors with underlined presenter
(30 Arial running with Surname (All Capital)
First, Affiliation (Italics, 25 Arial, running text)
with email Id of corresponding author.

Photo of the presenter
4 X6 cm

Introduction:
(100 words, 30 arial)

Results:
(200 words, 30 Arial)

Objectives: in bullets
(50 words)

Figures/photos (Max 4 nos.)

Materials and Methods:
(150 words, 30 arial)

Legends: Arial font 20 running word limit 20 for each legend

Conclusion: 30 Running Arial limited to 50 words.

Conference Registration Fee

Confirm your registration to this Symposium by filling the **google form**

(<https://docs.google.com/forms/d/10qAlMv7ar1Y2COCeAYvKj33QcqNtG3ge7Z6NzyunnH0/edit?ts=68c40ef4>)

along with non-refundable registration fee, as detailed below.

Delegates	Early Bird Registrations (within Nov. 30 th , 2025)	On-spot Registration (Dec. 16 th , 2025)
Students/Research Scholars	1000/-	1500/-
Faculties/Scientists	4000/-	5000/-
Corporate Sector/ Industries	6000/-	7000/-
Accompanying Person	2000/-	3000/-

The registration fee should be remitted through Multicity Cheque/NEFT/Internet Banking etc., in **favour of Organizing Secretary, IPSWZ 2025**, in State Bank of India, MKV, branch, Parbhani.

Account Name : **Indian Phytopathological Society**
Bank Name : **State Bank of India**

ACCOMODATION

Limited accommodations are available in the guest houses of the university on first come first-served and payment basis. The delegates can book their accommodation in hotels directly. The list of hotels along with the tariffs will be available on the National Symposium IPSWZ website (www.vnmkv.ac.in/Home/IPSWZ). The delegates are advised to email their travel plans to ipswz2025@gmail.com to facilitate local travel arrangements, if required. The details regarding accommodation and transport will be periodically updated on the National Symposium IPSWZ website. Hotels in Parbhani offer accommodation ranging from ₹ 1500/- to ₹ 5,000 per day.

University will provide accommodation to students in hostels at nominal charges.

- **Contact No.: Dr. R. G. Bhagyawant (Head, Dept. of Agril. Engg.) - 8208120002,**
- **Email: drbhagyawant1971@gmail.com**

How to reach ?

Parbhani is well-connected by road, rail and air. By road Parbhani is accessible via National and State Highways, with bus services, taxis, and private vehicles. Parbhani Junction offers rail connectivity to major cities like Mumbai, Pune, Hyderabad, and Nagpur. The nearest airports are Nanded Airport (70 km) with limited domestic flights, and Chh. Sambhajinagar Airport (190 km), well-connected to cities like Mumbai, Delhi, and Hyderabad. Local transport within Parbhani includes auto-rickshaws and taxis.

About Parbhani

Parbhani, previously known as 'Prabhavatinagar', is one of the Eight districts in the Marathwada region of Maharashtra State. The entire Marathwada region was a part of the erstwhile Nizam State; after reorganization of states in 1956 it became a part of the then Bombay state; and from 1960 onwards it is a part of the present Maharashtra state.

Parbhani lies between 18.45 and 20.10 North Latitudes and 76.13 and 77.39 East Longitude. Parbhani's climate is classified as tropical. The region has been described as the land of saints, several saints have been associated with Parbhani including 'Janabai' from Gangakhed, 'Namdeo' from Narsi and Pathri a birth place of 'Saibaba'.

There are many tourist places near Parbhani such as 'Sachkhand Sahib Gurudwara' at Nanded (70 km), 'Jyotirlinga Nagnath' Temple at Aundha (50 km) and 'Jyotirlinga Vaijnath' Temple at Parli (63 km), Ajanta and Ellora Caves (200 km). Parbhani is well connected by railway from New Delhi, Mumbai, Pune, Hyderabad and Bengaluru. The nearest airports are Ch. Sambhajinagar (Aurangabad) about 207 Km, Akola about 200 Km and Nanded about 70 Km.

Weather of Parbhani

The weather in Parbhani during December is typically cool and dry, marking the beginning of the winter season. Temperature: Average daily high temperatures are around 29-30°C (84-86°F), while average daily low temperatures range from 10-17°C (56-63°F). December is considered the coldest month of the year in Parbhani.

Advertisement Rates for the Souvenir-cum-abstract Book

A Souvenir-cum-Abstract Book containing lead papers and abstracts will be published and released during the symposium. We welcome advertisements in the Souvenir-cum-Abstract Book. The details are as follows.

Back Cover Page (Colour)	₹ 100000
Front Inside (Colour)	₹ 75000
Back Inside (Colour)	₹ 50000
Full Page Inner (Colour)	₹ 40000
Half Page Inner (Colour)	₹ 30000
Full Page Inner (Black and White)	₹ 20000

The amount for sponsorship/advertisement may be remitted through Cheque/DD/Online Bank transfer. Payment details are provided below.
